Description of the property:

Beautiful detached house in quiet area with many original features. In earlier days this was a bodega, in the basement the old wine barrels and the antique grape press are still kept and can still be used!

The entrance gives access to a spacious terrace with beautiful views to the surrounding area, mountains all around in a wide perspective. The landscape is not disturbed with buildings, but you can see the nearby village, where you find all amenities.

From the terrace you enter the living room with a fireplace. This is the antique part of the house with the original, antique windows, shutters, doors and beams. From the living room you can oversee the terrace and the landscape.
