### Description of the property:

House with the possibility of making 2 houses a few minutes walk from the town square.

The most remarkable thing about this house, apart from its size, is that it has access by car through 2 streets.

The house is now distributed in 2 areas. The house that can be inhabited since it was a residence throughout the life of a family. And the house that was used as a workshop and was never reformed.

At the top, the main house, has access by car from Calle Juan Cerron and has a comfortable living room at the entrance that gives access to the large kitchen of the house.

The kitchen has access to a balcony and a toilet. This terrace has very nice views of the town, the mountains and the sea.
