Description of the property:

This unique house is situated on a spacious plot of 29,000 m² with breathtaking views. The main house, currently covering 136 m², has been partially renovated and features a new roof with beautiful wooden beams. Additionally, the house is equipped with a completely new septic tank and already has a building permit, saving a lot of time. The SAFO is approved, awaiting the completion of construction work, after which the municipality will issue the certificate. The layout consists of a living room, space for a kitchen, bathroom, and three bedrooms, but can be fully customized to your liking.

In front of the house is a charming covered terrace. The property includes several outbuildings th
