Description du bien:

Tucked into one of Gaucín's charming narrow streets, this 1960 village house is ready for a breath of fresh air! Bursting with untapped potential and authentic character, its original wooden beams, rustic loft space, and rare courtyard garden, this is a property that invites creativity and care to transform it into a warm, inviting home.

While the interiors require updating and modernisation, the bones are there: thick whitewashed walls, cosy rooms, and a traditional layout full of quirky corners and stories. The loft offers additional space for a studio, guest room, or tranquil hideaway, while the private courtyard garden is perfect for potted plants, morning coffee, or dining al fresco.
